	To increase the levy by \$6,942 to accommodate an additional day per week for the position.	\$6,942	0.10%	1.55
8	The Library has requested to expand the Library Specialist - Adult and Senior Services position to full-time (from 28 hours to 36.25 hours per week, or from 4 days to 5 days per week). To add this additional service level it would be an additional \$23,131 on their total budget, split between Perth, Drummond North Elmsley, and Tay Valley. Therefore, Tay Valley's portion of this would be an additional \$6,942 to the levy. "The specialist coordinates volunteers and manages all library programming and outreach for adults and seniors. This additional ask is deparately needed to combat burnout in the role. It would allow the library to double its voluteer capacity from 15 to 30 volunteers and for greater programming or outreach opportunities such as the new pilot satellite location at the Maberly Hall."

# Thank you!

### NARRATIVE

#### 2025 DRAFT OPERATING AND CAPITAL BUDGET

#### Overview

The Township's Strategic Plan's mission is "to deliver efficient and effective services for the benefit of residents, visitors, and businesses", with the following values: respectful, accountable, and future focused.

#### Impact to the Taxpayer

The impact of this year's draft budget proposes a 11.46% tax levy increase. The Township tax rate change will be determined when the assessment role is received in early December.

As shown on the "Summary" page the levy increase is comprised of:

0.95% (\$66,850) increase in contributions to reserves (4%),

3.21% (\$225,804) increase in OPP contract, and

7.30% (\$512,509) operational increase.

The operational increase, that allows the Township to provide the same services and levels of service as in 2024, can be summarized as follows:

VEIS	of service as in 2024, can be summanzed as follows.	
-	OPP increase	\$225,804
-	Fire Board increases (TVT share) estimated	\$ 45,493
-	Library Board increases (TVT share)	\$ 3,840
-	Conservation Authorities (TVT share) estimated	\$ 2,224
-	Recreation Cost Sharing Agreement estimated	\$ 15,598
-	Wages & Benefits increases (based on 3.5% COLA)	\$447,005
-	Contracted Services (IT & web support)	\$ 38,300
-	Insurance estimated	\$ 8,980
-	Other Revenue increases (investment income, etc.)	(\$47,616)
-	Other Revenue decreases (POA, recycling revenues)	\$ 42,500
-	Net of all other changes	\$ 23,035
	TOTAL	\$805,163

The assessment rate has been frozen again for the fourth year in a row (same amounts as in 2020, 2021, 2022, 2023, and 2024 unless property improvements have occurred). This is due to the Provincial government's decision to postpone phase-in due to COVID-19. Some increases are anticipated from new builds and from property improvements

(i.e. growth). However, those specific numbers will not be known until December as that is when MPAC provides that information to municipalities in the form of the new roll.

### The 11.46% results in an increase of approximately \$180 for a home with an assessed value of \$300,000.

The total 2025 tax requirement of \$7,829,866 is \$805,163 more than was required in 2024. It is important to note that a 1% increase in levy equates to approximately \$70,247 in additional revenues for Tay Valley.

#### New Initiatives for Council's Consideration

New initiatives are summarized separately for Council's consideration. Any new initiative added will have an impact on the proposed tax levy increase. New initiatives can be found on the "For Consideration" page. Beside each consideration is the impact it would have on the levy, as dollar amount, as a percentage amount, and the impact on a \$300,000 assessed home.

#### Reading the Budget

For ease of reference, a summary of the increases and decreases has been provided and can be found in two spots. One, on the "2025 Budget - Impacts on Levy" page, which shows the increases and decreases by function (i.e. salary, contracted services, etc.) and two, on the "2025 Budget – Impacts by Department" page, which shows the increases and decreases summarized by department and sub-department (i.e. Council then by Elections, etc.).

The "Expenses" and "Revenues" details (i.e. line by line) have also been highlighted to reflect the increases/decreases from the prior year's budget (a table is in the top right-hand corner of each page detailing what the colour coding means).

#### Capital

The impact of the current Capital Projects is reflected in the estimated year-end balances of the Township Reserves (see Reserves page). In order to be sustainable, the Township is required to increase the annual contribution to these reserves or find alternative revenue sources. A listing of all proposed 2025 Capital Projects is found on the "Capital" page and offers a description of each project.

The 2025 Draft Capital Budget includes \$4,092,829 for infrastructure, asset replacements, and committed or mandatory projects. The capital and special projects are funded primarily by reserves and grants. All projects should be funded from reserves and grants as long as the contributions to reserves continue. The Capital Budget is based on the 10-year Capital Plan.

1 Recreation Casual Position			
To retain a recreation casual position to help with playground inspections and undertake minor repairs, so that Public Works employees are no	t		
being utilized to do this work.	\$11,745	0.17%	2.6
The Recreation causal position currently sets up the nets and paints the lines weekly for the soccer program in the summer and maintains			
the Glen Tay Outdoor Rink in the winter. The additional hours (1 day a month annualy, plus an extra 1 day a month from May to October)			
are to reduce risk and liability by inspecting all outdoor amenities one day a month and undertaking minor repairs (ex. removal of branches)			
for up to one day a month for six months of the year.

5 Increasing the Library Levy Request - additional day/week for Adult and Senior Services position			
To increase the levy by \$6,942 to accommodate an additional day per week for the position.	\$6,942	0.10%	1.5
The Library has a small detailed a Control of Control o			
The Library has requested to expand the Library Specialist - Adult and Senior Services position to full-time (from 28 hours to 36.25 hours per week, or from 4 days to 5 days per week). To add this additional service level it would be an additional \$23,131 on their total budget, split			
between Perth, Drummond North Elmsley, and Tay Valley. Therefore, Tay Valley's portion of this would be an additional \$6,942 to the levy.			
"The specialist coordinates volunteers and manages all library programming and outreach for adults and seniors. This additional ask is			
deparately needed to combat burnout in the role. It would allow the library to double its voluteer capacity from 15 to 30 volunteers and for			
greater programming or outreach opportunities such as the new pilot satellite location at the Maberly Hall."			
6 Reducing the Library Transfers to Capital Reserves			
Agreement between parties requires 4% of levy per year to be placed into reserves.		0.00%
