7. MOTIONS

The Chief Administrative Officer/Clerk updated Council that staff had reviewed the Animal Control By-Law and confirmed that:

- provisions currently exist regarding control and enforcement measures for cats
- the Township’s Animal Control Enforcement Services provider has since been made aware of those provisions
- the Township’s Animal Control Enforcement Services provider has been requested to immediately begin an investigation into the matters expressed during the June 3rd, 2025 Committee of the Whole Meeting delegation
- the complainant in this matter has been made aware of the updated situation
- therefore there is no longer a need for either of the suggested motions that are on the agenda

- i) **Report #PD-2025-12 – Bill 17 – Protect Ontario by Building Faster and Smarter Act, 2025.**

RESOLUTION #C-2025-06-06

- Hayley Koeslag.”

ADOPTED

- vii) **25-05-28 – Council Communication Package.**

The Reeve questioned the amount of time spent assembling the monthly Council Communication Package, and if additional screening by staff to reduce the amount of material would result in more efficiency and less staff time used in the process.

The Chief Administrative Officer/Clerk explained that:

- a typical package takes the Corporate Administrative Assistant half a day each month to assemble and send
- the package contents are received by Chief Administrative Officer/Clerk by email from municipalities and municipal organizations across the province
- the contents are screened by the Chief Administrative Officer/Clerk and forwarded to the Corporate Administrative Assistant for inclusion in the communication packages but not necessarily read in detail
- the CAO/Clerk recommended that a trial run be conducted for the next CCP or two to see if having the CAO/Clerk triage more before to reduce the number before sending to the Corporate Administrative Assistant for compiling

RESOLUTION #C-2025-06-12

MOVED BY: Greg Hallam
SECONDED BY: Keith Kerr

“THAT, the 25-05-28 Council Communication Package be received for information.”

1. CALL TO ORDER

The meeting was called to order at 6:30 p.m.
A quorum was present.

2. AMENDMENTS/APPROVAL OF AGENDA

The agenda was adopted as presented.

3. DISCLOSURE OF PECUNIARY INTEREST AND/OR CONFLICT OF INTEREST AND GENERAL NATURE THEREOF

Reeve Rainer and Deputy Reeve Dobbie informed the Committee that their spouses are applying to become Township volunteers, and that they will not participate in discussion on that matter.

Deputy Reeve Dobbie declared a pecuniary interest and/or conflict of interest on item 6 ix – Appointment of Volunteers – Community Services because relative spouse.

Reeve Rainer declared a pecuniary interest and/or conflict of interest on item 6 ix – Appointment of Volunteers – Community Services because his spouse is to be appointed as a volunteer.

4. APPROVAL OF MINUTES OF PUBLIC MEETINGS

None.

5. DELEGATIONS & PRESENTATIONS

i) Presentation: 2025 History Scholarship Update.

Kay Rogers gave the verbal report attached to the agenda.

K. Rogers explained that:

- no recipient was chosen for the 2025 History Scholarship
- the Tay Valley Township History Scholarship is currently the highest dollar-amount local scholarship available to Perth high school students
- the History Scholarship Selection Committee has discussed revising the application, application process, and requirements for the scholarship due to concerns over AI generated submissions

Recommendation to Council:

“THAT, the 2025 History Scholarship Annual Update be received for information.”

6. PRIORITY ISSUES

i) Report #CAO-2025-25 – Livestreaming and Council Chamber Audio/Visual System.

A Member questioned why Option four (4), to not offer livestreaming, was included in the report after Council had made a motion to implement it.

The Chief Administrative Officer/Clerk explained that;

- the resolution in question directs livestreaming to be implemented
- the verbal instructions given to staff were to bring back livestreaming options to consider
- the report presents the easiest options to implement livestreaming
- option four (4) was included in case Council chose to reconsider its decision

Members discussed the desire to start livestreaming quickly, efficiently and cost effectively. A Member further suggested that staff explore the options of having the meetings recorded and stored for future viewing so that Council could discuss whether they wanted to implement this or not.

Recommendation to Council:

“THAT, the broken audio system in the Council Chambers be replaced, funded from the contingency reserve.”

Recommendation to Council:

“THAT, livestreaming be implemented for Council meetings, Committee of the Whole meetings and Public Meetings as defined in the Procedural By-Law.”

Recommendation to Council:

“THAT, staff explore options for recording and storing meetings.”

The Committee acknowledged that the exploration of recording and storing meetings may not occur until the next term of Council due to the other commitments and priorities ahead of this request.

The Committee also acknowledged that the Procedural By-Law would need to be updated to implement livestreaming and the goal was to have it live for the first budget meeting at the end of October.

ii) **Report #PD-2025-16 – Advancing Implementation Training Initiative (AITI) Update.**

Recommendation to Council:

“THAT, the Planner be permitted to attend the AITI funded, out of province conference in Halifax, Nova Scotia from October 6 to 8, 2025.”

iii) **Report #PD-2025-17 – Summary of the Joint Conference of the Ontario Professional Planners Institute and the Canadian Institute of Planners.**

Recommendation to Council:

“THAT, Report #PD-2025-17 – Summary of the Joint Conference of the Ontario Professional Planners Institute and the Canadian Institute of Planners, be received for information.”

The Planner left at 7:39 p.m.

iv) **Report #FIN-2025-09 – Budget Review and Forecast as at July 31, 2025.**

Recommendation to Council:

“THAT, Report #FIN-2025-09 - Budget Review and Forecast as at July 31, 2025, be received for information.”

The CAO/Clerk informed Council that the Township is at a critical point in time where efficiencies have been implemented and the budget has been streamlined. If the budget is to be reduced, then it will need to be the elimination of a service that is currently being provided or a reduction in a service level.

The Treasurer left at 8:00 p.m.

- v) **Report #PW-2025-15 – Doran Road Guide Rail Replacement – Tender Award.**

Recommendation to Council:

“**THAT**, Doran Road Guide Rail Replacement, Tender #2025-PW-010, be awarded to Hughson Fencing & Guiderail;

AND THAT, the Reeve and Clerk be authorized to sign the necessary documentation.”

- vi) **Report #CAO-2025-26 – Road Naming Amendment – Miner’s Point Route A.**

Recommendation to Council:

“**THAT**, the necessary by-law to update the description of an existing Private Road - Miner’s Point Route A, as outlined in Report #CAO-2025-26 – Road Naming By-Law Amendment – Miner’s Point Route A, be brought forward for approval.”

- vii) **Report #CAO-2025-27 – Proposed New Road Name – Strawberry Lane.**

Recommendation to Council:

“**THAT**, the necessary by-law to name an existing Private Road to Strawberry Lane, as outlined in Report #CAO-2025-27 – Proposed New Road Name – Strawberry Lane, be brought forward for approval.”

- viii) **Council Appointment to the Green Energy and Climate Change Working Group.**

Recommendation to Council:

“**THAT**, the Council of the Corporation of Tay Valley Township appoint Councillor Keith Kerr to the Green Energy and Climate Change Working Group for a term ending November 17, 2026.”

- ix) **Appointment of Volunteers – Community Services.**

The Deputy Reeve stepped down from the Chair due to his conflict of interest on the matter.

Councillor Thomas assumed the Chair.

Councillor Hallam brought it to the Committee’s attention that his wife, Margot Hallam should also be appointed as she volunteers from time to time.

Councillor Hallam declared a pecuniary interest and/or conflict of interest on item 6 ix – Appointment of Volunteers – Community Services because Margot Hallam is his spouse.

The Reeve, Deputy Reeve and Councillor Hallam did not participate in the discussion on this matter.

Recommendation to Council:

“THAT, the Council of the Corporation of Tay Valley Township appoint the following volunteers, subject to the Criminal Records Check Policy:

- Brenda Arthur
- Michelle Baker
- Olga Zuyderhoff
- Mary Lou Carol
- Margot Hallam
- Donna Dobbie.”

Councillor Thomas stepped down as Chair.
The Deputy Reeve resumed the Chair.

x) **Bolingbroke Cemetery Board – Resignations.**

Recommendation to Council:

“THAT, the following volunteers be removed from the Bolingbroke Cemetery Board effective August 12th, 2025:

- Doug Boyd
- Betty Ann Gillespie.”

xi) **Wild Parsnip.**

Deputy Reeve Dobbie explained that:

- wild parsnip is out of control along some Township roads
- it is a noxious weed
- questions have been received regarding what the Township is going to do to control it
- Lanark County boom sprayed five (5) years ago and then did spot treatments where needed to control growth and spreading
- the plant is out of control again
- mowing does not capture the full road allowance

Members discussed the benefits and drawbacks of spraying to control wild parsnip.

Recommendation to Council:

“THAT, staff bring back a report with options on how to control wild parsnip.”

7. CORRESPONDENCE

DELEGATIONS & PRESENTATIONS

COUNCIL
August 26th, 2025

Report #CAO-2025-29
Amanda Mabo, Chief Administrative Officer/Clerk

**REQUEST TO CLOSE A PORTION OF AN UNMAINTAINED FORCED ROAD – PARKS
PUBLIC MEETING**

STAFF RECOMMENDATION(S)

“THAT, once the driveway that is located on the unmaintained forced road is dealt with, Council consider a by-law to stop up, close and sell a portion of the unmaintained forced road (approximately 2100 feet) in Concession 7, Part Lot 14, South Sherbrooke, just west of Bolingbroke Road.”

BACKGROUND

Committee and Council have considered a request to stop up, close and sell a portion of the unmaintained forced road allowance (approximately 2100 feet) in Concession 7, Part Lot 14, geographic Township of South Sherbrooke, west of Bolingbroke Road. A resolution was passed on June 17th, 2025, agreeing to proceed with the application to stop up, close and sell the unmaintained forced road allowance as outlined in Report #CAO-2025-22 – Request to Close a Portion of an Unopened Road Allowance - Parks, as per the Road Closing and Sale Policy, and call a Public Meeting.

DISCUSSION

The purpose of this report and public meeting is to solicit public feedback regarding the proposed road closing.

Pursuant to the Road Closing and Sale Policy, public notice was posted on site and in the general vicinity of the unmaintained forced road allowance proposed for closure, mailed to the adjacent property owners, published on the Township website, newsfeed and Facebook page, and provided publicly via the Frontenac News on July 17th and July 24th, 2025 and the Westport Review Mirror on July 17th and July 31st, 2025. Public notice was also provided via the Agenda for the Committee of the Whole Meeting held on June 3rd, 2025, the Agenda for the Council Meeting held on June 17th, 2025 and the Agenda for the Public Meeting held on August 26th, 2025, with such notice offering an opportunity for any person to address concerns related to the proposed closure.

A survey of the subject unmaintained forced road has been received. However, during a recent site visit, staff observed that an adjacent property owner's laneway encroaches onto the unmaintained forced road, as shown below:

Area of unmaintained forced road indicated by red arrow, laneway to the right.

Staff will circulate this report to the property owners and will work with the applicant and adjacent property owner(s) to either:

1. Have a new survey completed (at the cost of adjacent property owner to the south), so the laneway can remain in place as-is and that portion of the unmaintained forced road will be consolidated with the adjacent property to the south, or
2. Have the adjacent property owner to the south relocate the portion of their laneway that encroaches on the unmaintained forced road allowance, so their entire laneway is within their own property.

iii) Agency Comment

Lanark County – The County of Lanark has no objections to the closure but does note there appears to be at least three access points to County Road 36. The most southerly, associated with civic address of 4731 appears to have been considered most recently in 2018 as a result of B18/050. An entrance permit was not granted at this location due to the fact the entrance was deemed to be a municipal road at that time. Therefore, no formal entrance permit exists for 4731. Now that the road is being closed and consolidated, the owner will need to apply for an entrance permit with the County if this entrance is to continue to be used for access.

The two most northern access points do not appear to have any approved entrance permits or civic numbers associated with them. The County reserves the right to require any unsafe entrances removed or to limit the number of entrances per property in order to comply with its entrance policies, and makes no representation as to the suitability of the three intersections for access/entrances onto the County Road.

Mississippi Valley Conservation Authority - MVCA does not have any objections to the proposed road closure. Based on a review of MVCA's GIS mapping, a tributary of an open water wetland crosses the northern part of the subject unmaintained forced road. Written permission is required from MVCA for any alterations to this watercourse.

iv) Adjacent Landowner Comment

No comments were received from adjacent landowners.

v) Next Steps

Once the driveway that is located on the unmaintained forced road is dealt with, Council can then proceed to pass a by-law to stop up, close and sell the unmaintained forced road to the Applicant and/or adjacent landowner(s). The land will be transferred upon payment of the required costs and the closed portion(s) will be consolidated with the respective lands.

COMMITTEE OF THE WHOLE**June 3rd, 2025****Report #CAO-2025-22****Amanda Mabo, Chief Administrative Officer/Clerk****REQUEST TO CLOSE A PORTION OF AN UNOPENED ROAD ALLOWANCE –
PARKS****STAFF RECOMMENDATION(S)**

It is recommended that:

“THAT, the application to stop up, close and sell the said old unmaintained forced road as outlined in Report #CAO-2025-22 - Request to Close a Portion of an Unopened Road Allowance – Parks, as per the Road Closing and Sale Policy and call a Public Meeting.”

It is recommended that:

“THAT, staff to work with the County to determine the scope of work required to survey a portion of the lands identified by the Property Identification Number (PIN) 05209-0236 (the PIN being portions of Bolingbroke Road, Maberly Station Road, and Railway Siding Road) in preparation to transfer road ownership to the rightful municipalities.”

BACKGROUND

As a result of a severance application in 2018, it was determined that a section of land formerly used as a forced road – once part of the original Bolingbroke Road alignment – is owned by the Township. This segment became inactive after Bolingbroke Road was realigned and assumed by the County several decades ago. The former forced road segment was excluded from the realignment and remained under Township ownership, though it was not part of the original surveyed road allowances.

The legal title to this land was initially complicated by the fact that it shared a Property Identification Number (PIN) with other municipally maintained roads – namely, portions of the County’s Bolingbroke Road and Township’s Maberly Station Road, as well as the entirety of the Township’s Railway Siding Road. The PIN was listed under the ownership of “Public Authority Having Jurisdiction,” reflecting uncertainty in Land Registry records over whether the County or the Township had ownership of the various roads.

The matter was initiated when the severance applicant originally sought an entrance permit from the County Road via the former forced road alignment. Through discussions, the applicant was agreeable to the Township in stopping up, closing, and selling the forced road allowance. This prompted further review of ownership and road status.

Following review and consultation between the County and the Township, both parties agreed that the portion in question was not required for current or future road purposes. The County and the Township agreed to split survey costs, and a survey was jointly commissioned to separate the old forced road segment from the active municipal road system, resulting in the creation of a distinct parcel now identified as Part 1 on 27R-11266 (shown in yellow on the attached survey).

During this process, an additional unopened and unused municipal parcel off Part 1 on 27R-11266, now designated as Part 7 on 27R-6672 (shown in blue on the attached survey), was also identified. Like Part 1, it is not required by the Township or the County for road purposes. Legal counsel recommended stopping up, closing and selling Parts 1 and 7.

In preparation for the process to stop up, close and sell the unmaintained forced road allowance, legal work was undertaken to separate Part 1 on 27R-11266 and Part 7 on 27R-6672 from the PIN that connected them with the municipally maintained roads and transfer them to the rightful ownership of the Township.

The remaining portions of municipally maintained roads were issued a new PIN, being 05209-0236, the ownership of which is to be addressed at a later date.

DISCUSSION

Following the Clerk's initial review and confirmation of ownership, the Township has established that the lands described as Part 1 on 27R-11266 and Part 7 on 27R-6672 are under Township jurisdiction and are not required for current or future road use. While the land originally functioned as a forced road and not a surveyed road, it may be processed for closure and sale under the same authority.

The Planner and Public Works Department were consulted and have confirmed that there are no objections or foreseeable municipal needs related to these parcels. Legal counsel has advised that the closure and sale are appropriate.

It is the Township's standard practice that all costs associated with such transactions - including legal fees, advertising, surveying, and purchase of the land - are to be borne by the requestor. However, the applicant has noted that it is their family's understanding that the land used for the former forced road was to be returned to their grandfather when the family permitted realignment of Bolingbroke Road at another location on their lands.

While no formal agreement or conveyance confirming this understanding has been identified in the Land Registry records, and there is nothing in writing, staff acknowledge this context as part of the historical background of the request.

Staff recommends that the Township proceed with stopping up, closing and selling the

subject lands and consolidating them with the applicant's lands, and that the Township waive land sale and advertising costs, but the applicant will be required to pay the fee and any legal costs related to the road closing and consolidation and will be required to submit the deposit up front.

PUBLIC MEETING

ROAD CLOSING

Concession 7, Part Lot 14 geographical Township of South Sherbrooke

Council
August 26th, 2025

1

Road Closing - Parks

Committee and Council have considered a request to stop up, close and sell the unmaintained forced road (approximately 2100 feet) in Concession 7, Part Lot 14, South Sherbrooke, just west of Bolingbroke Road.

A resolution was passed on June 17th, 2025 agreeing to proceed with the application to stop up, close and sell the unmaintained forced road as outlined in Report #CAO-2025-22 – Request to Close a Portion of an Unopened Road Allowance – Parks, as per the Road Closing and Sale Policy, and call a Public Meeting.

2

Purpose of Public Meeting

The purpose of the public meeting is to solicit public feedback regarding the proposed road closing.

The Road Closing policy provides that notice be given in order to allow opportunity for any person to address concerns related to the closing.

5

Agency - Objections or Concerns

Mississippi Valley Conservation Authority

MVCA does not have any objections to the proposed road closure. Based on a review of MVCA's GIS mapping, a tributary of an open water wetland crosses the northern part of the subject road allowance. Written permission is required from MVCA for any alterations to this watercourse.

Lanark County

The County of Lanark has no objections to the closure but does note there appears to be at least three access points to County Road 36. The most southerly, associated with civic address of 4731 appears to have been considered most recently in 2018 as a result of B18/050.

7

Landowner – Objections or Concerns

- No comments or questions were received from adjacent landowners.

8

Township Comments

- Although a survey of the subject unmaintained forced road was received and did not note any encroachment into the unmaintained forced road, and
- Although no comments or questions were received from adjacent landowners prior to publication of the public meeting report and presentation,
- A recent site visit conducted by staff identified that an adjacent property owner's laneway encroaches onto the unmaintained forced road.

9

Site Visit Photo

Area of unmaintained forced road indicated by red arrow, laneway to the right.

10

NEXT STEPS

- Township staff will work with the applicant and adjacent property owner(s) to either:
 - Have a new survey completed (at the cost of the adjacent property owner to the south), so the laneway can remain in place as-is and that portion of the unmaintained forced road will be consolidated with the adjacent property to the south, or

WEBSITE – MIGRATION TO GOVSTACK

STAFF RECOMMENDATION(S)

“THAT, the Township’s website migration from i:Create to Govstack proceed at a cost of \$22,523.40 plus HST, to be funded from the Contingency Reserve.”

BACKGROUND

Since 2014, the Township’s website since has been through [GHD](#). GHD Digital provides public sector organizations with digital platforms.

i:Create, the Township’s current web platform, will reach end-of-life on June 30, 2026. After this date, security updates, infrastructure support, and compatibility patches will no longer be provided.

Govstack is the modern successor, built in direct response to municipal needs for flexibility, scalability, and security.

DISCUSSION

GHD Digital has worked closely with municipalities across Ontario, including Tay Valley, and has developed a deep understanding of municipal workflows, content requirements, and infrastructure. This relationship eliminates the steep learning curve and time investment required to onboard a new vendor.

The migration process is designed to preserve the Township’s existing assets - historical content and familiar workflows - while modernizing the platform behind them. A dedicated project manager and automated migration tools ensure a structured, predictable process.

With i:Create, simple changes - such as updating branding, creating landing pages, or adjusting layouts - require submitting requests to GHD, waiting for quotes, and paying development fees. Govstack puts these capabilities directly into staff hands with self-service tools and drag-and-drop editing.

i:Create sites are custom-built, leading to inconsistent support times and upgrade delays. Govstack standardizes all municipalities on the same product version, enabling faster resolutions and shared improvements across the platform.

i:Create infrastructure is aging and increasingly difficult to maintain. Govstack is hosted in Microsoft Azure with 99.9% uptime, enterprise-grade encryption, and built-in disaster recovery.

As i:Create approaches retirement: technical support will decline, security vulnerabilities will emerge, compatibility with new software will degrade, and hosting infrastructure will be retired.

By migrating early, the Township avoids rushed last-minute decisions, secures limited-time incentives, and ensures continuity of digital services for residents and businesses. Govstack supports the Township's mission to deliver efficient, effective, and future-focused services, while reinforcing its accountability and respect for staff and community members.

OPTIONS CONSIDERED

Option #1 – Migrate to Govstack

Staying with GHD ensures staff can continue building on established systems rather than starting over. This reduces training needs, prevents duplication of effort, and accelerates the Township's ability to modernize. It also reflects the Township's focus on operational service excellence and responsible use of resources.

Option #2 – RFP for Another Vendor

This is not recommended.

FINANCIAL CONSIDERATIONS

As per the 10-Year Capital Plan the website was scheduled to be upgraded in 2026 and \$20,800 was estimated.

Confirmation was obtained this week that migration costs are \$22,523.40 if a change order is signed by August 31st, 2025 and work begins on the migration:

- 20% discount on the implementation fee, reducing migration costs from \$15,908.00 to \$12,726.40.
- 100% discount on post-migration content clean-up, removing the 100-page limit and saving \$2,772.00. They will migrate and clean up all content at no additional cost.
- Free migration of up to 300 existing bylaws, eliminating the need for manual entry by Township staff.

These incentives represent a total savings of \$5,953.60, along with significant time savings for staff. But still a \$5,000 plus overage.

STRATEGIC PLAN LINK

Good Governance – Communications

CLIMATE CONSIDERATIONS

There would be no impact.

CONCLUSIONS

As per the recommendation.
